

Membership Conditions & Agreement

1. Contract Partner

The contract is concluded with: KIRSI SABRI BERLIN, Goethestraße 68/ Hof 2, 10625 Berlin, Tel: +49 172 44 14 121, Email: info@kirsisabri.berlin.

2. Scope of Membership Services by KIRSI SABRI BERLIN

Membership entitles members to use all open courses offered by KIRSI SABRI BERLIN during regular opening hours, subject to availability. Participation in closed courses, workshops, or personal training sessions is not included in the membership. However, Kirsi Sabri Berlin may offer discounts on these services during certain promotions. Usage of equipment and facilities outside course times and personal training is not permitted, except by agreement with the studio management.

3. Bookings

All KIRSI SABRI BERLIN customers are responsible for making their own bookings. Bookings are subject to availability and can be made up to 3 months in advance for group classes and up to 6 months in advance for personal training sessions.

4. Cancellations: Fair Play Rules

All KIRSI SABRI BERLIN members can cancel their bookings free of charge at least 12 hours before the start of a class according to the Fair Play Rules. If a non-member with a 10-class pass (card) or single-session pass cancels a booked class or personal training session less than 24 hours before or not at all, the full amount will be charged.

5. Trial Period and Termination

During the first month of membership, it can be terminated at any time by the end of this first month in written form. In this case, the member is only required to pay the membership fee for the first month.

6. Contract Duration and Termination

Membership starts on the 1st of the month. If no cancellation is made during the trial period, the contract duration is 12 months from the start of the membership. The contract is extended by 3 months each time, unless it is terminated with 1 month's notice before the end of the contract.

Members and KIRSI SABRI BERLIN may terminate this agreement without notice for a good reason. From the member's perspective, a good reason exists in particular if KIRSI SABRI BERLIN's services cannot be used permanently due to:

- permanent sports incapacity certified by a doctor
- pregnancy with a medical certificate
- relocation that makes the use of KIRSI SABRI BERLIN's services unreasonable (with a commuting distance of over 50 km).

KIRSI SABRI BERLIN may terminate without notice for reasons such as the member consistently breaching contract obligations or disrupting studio operations. In such cases, the member may still owe membership fees until the contract end as a flat-rate compensation. Written form is required for all terminations.

7. Rest Periods

If a member is ill for longer than one month, they can make up for the downtime by providing a medical certificate. The membership can also be put on hold for more than one month due to business travel, provided proof is given. In case of pregnancy, the member may suspend the contract for up to one year, given proof with a medical certificate. The right to terminate for a good reason remains unaffected.

Rest periods must be applied for in monthly intervals, with a minimum duration of one month. The contract is extended by the duration of the rest period.

8. Payment Terms

Annual membership fees are due at the start of the membership (on the 1st of the joining month). Monthly fees are due on the 1st of each month. In case of payment default, KIRSI SABRI BERLIN has the right to claim return debit fees. If two consecutive monthly payments are overdue, the entire remaining amount becomes due immediately. Statutory default interest may also be charged.

9. Fee Increases

KIRSI SABRI BERLIN may increase membership fees with two months' notice. Members have the right to terminate the contract within one month of receiving the notice. If no termination is made, the fee increase takes effect.
